

# ENGLISH

## GENERAL INFORMATION

Do you have a love for reading, writing, and analyzing literature? If so, pursuing a degree in English may be the perfect academic pathway for you. Through this program, you will have the opportunity to deepen your understanding of language, literature, and creative writing, honing your communication and critical thinking skills along the way.

An English degree is transferable to other fields, including business, law, and education, opening up a wide range of career possibilities where strong written and verbal communication skills are highly valued. Whether it's crafting compelling narratives, conducting thorough research, or interpreting complex texts, studying English will empower you to navigate and contribute to the rich tapestry of human expression.

## SKILLS YOU'LL DEVELOP
