

SOCIOLOGY

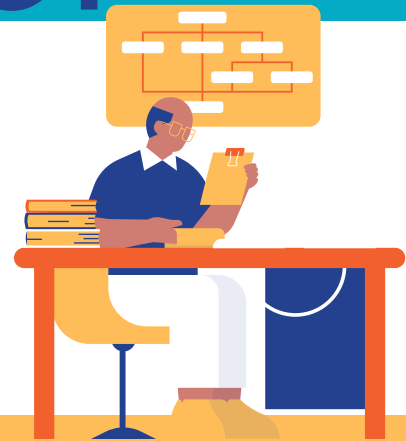

GENERAL INFORMATION

A Sociology degree pathway offers an exciting opportunity to explore and understand the social world around us. In this program, you will learn how society works, how it influences individuals and groups, and how it changes over time.

Through analyzing social problems, conducting research, and engaging with diverse communities, you will develop critical thinking, communication, and problem-solving skills that are highly valued in a range of careers, including human services, non-profit organizations, education, government, and business.

Transfer pathways start at a Louisiana community college.

- Complete the first 60 credits on your transfer pathway at a community college
- Earn your associate degree
