Student Level Data Collection 2023-24 - Year 3 Resource Guide Catalog

The following is a list of resources available for licensed institutions who will be submitting data via the Enrollment and Completions portal for the reporting period of July 1, 2023 through June 30, 2024. The portal will be open during the submission period of July 29, 2024 – August 12, 2024.

Below are the various resources you can use to help you during the submission process. Remember you should email any questions to EC-HelpDesk@laregents.edu. This project is a collaborative effort between the Licensure Department, Data Team, Academic Affairs, and is all made possible by the innovative BoR IT team. Questions sent to the EC-HelpDesk will be triaged to the correct team to answer the questions as quickly as possible.

Also please remember that the DATA TEMPLATE is found in the portal itself and should be downloaded there.
