The Honorable Jeff Landry
Governor, State of Louisiana
State Capitol, 4th Floor
Baton Rouge, LA 70802

Dear Governor Landry,

Pursuant to R.S. 17:3138.5 and 3165.2 (Act 232 of 2015, Act 429 of 2021, and Act 53 of 2023), regarding the Governor's Military and Veteran Friendly Campus (GMVFC, or Friendly Campus) and the Tiers of Distinction designations, the Board of Regents has reviewed the 2023-24 annual reports provided by institutions and determined that all 28 public institutions are eligible for continued designation as Friendly Campuses. In this inaugural year of the Tiers program, 21 public and one private institution attained an additional Gold, Silver or Bronze designation:

Continued Designation (with Tier of Distinction Noted):

- *Baton Rouge CC, Bronze*
- *Bossier Parish CC, Gold*
- *Central Louisiana TCC*
- *Delgado CC, Silver*
- *Fletcher TCC, Silver*

- *Northwestern State University, Silver*
- *Southeastern Louisiana University, Silver*
- *University of Louisiana at Lafayette, Silver*
- *University of Louisiana at Monroe, Silver*
- *University of New Orleans, Bronze*

One private institution is eligible for initial classification as a Friendly Campus and an additional designation:

Initial Designation:

- *Louisiana Christian University, Bronze*

In accordance with the law, the Friendly Campus designation provides formal recognition of state postsecondary institutions that create and maintain a supportive environment for military service people by offering veterans and their families waivers of application fees, special orientation sessions, priority class scheduling, deployment readmission, transfer and articulation support.

While initially designation was available only to public entities, Act 429 of the 2021 Regular Legislative Session (R.S.:3138.5) amended state law to extend participation in the Friendly Campus Program to *non-public* education institutions and provide additional metrics capturing completion rates of veterans and their spouses/dependents. Act 53 of 2023 charged the BOR to create Gold, Silver, and Bronze Tiers of Distinction beyond those required for the Friendly Campus designation.

Each campus understands that it must identify and report transfer, articulation, and graduation data for veterans and their spouses/dependents. Overall, transfer credits for military students and their spouses/dependents increased from the previous year (refer to charts 1 and 2 below).

Collectively, in 2023-2024, public postsecondary institutions identified 3,641 veteran transfer students, bringing a total of 51,369.49 transfer credits, and 3,444 spouses/dependents transferring 63,608.45 credits. A total of 1,052 veterans and 1,622 spouse/dependent graduates were reported statewide.

AY 2023–2024 Governor's Military and Veteran-Friendly Campus Program Report

Background Information

Act 232 of the 2015 Legislative Session enacted R.S. 17:3138.5 to address the need for comprehensive, statewide support to aid military veterans transitioning from military service to enrollment in postsecondary education. Targeting the need for faculty and staff awareness of "veterans' culture" and for orientation and mentoring programs designed specifically for veterans, the law required the Board of Regents (BOR) to establish a process for designating an institution as a *Governor's Military and Veteran Friendly Campus* (GMVFC, or Friendly Campus), beginning in Fall 2015.

With advice from the Statewide Articulation and Transfer Council and Faculty General Education Committee (SATC-GE), the BOR developed an application process for institutions interested in receiving the designation. In Fall 2015, 28 of Louisiana's 29 public colleges and universities submitted applications for initial designation to the Governor. The law specifies that the designation is to be renewed annually, with an institution's renewal application to include a report containing a series of prescribed data elements from the previous year indicating veterans' participation in campus offerings. Any institution that fails to maintain Friendly Campus status must again complete the application for initial designation if or when the campus chooses to seek it again.

Act 429 of the 2021 Legislative Session (R.S. 17:3138.5) amended Act 232 of 2015 to extend participation in the Governor's Military Friendly Campus Program to *non-public* education institutions, including the colleges and universities of the Louisiana Association of Independent Colleges and Universities (LAICU). This mandate also included institutional reporting of the completion rates of veterans, their spouses, and their children.

Act 53 of the 2023 Legislative Session (R.S. 17:3138.5) amended Act 429 of 2021 to authorize the Board of Regents to establish additional tiers of recognition for institutions, to increase the duration of the designation from one to two years, and to provide an interim report in the years in which institutions do not submit renewal applications. This year marks the inaugural year that institutions could apply for consideration to receive the new Tiers of Distinction.

Staff Summary

BoR staff reviewed each application to determine whether the institution met the requirements for continued designation as a Friendly Campus, with a particular focus on the specific data required by law:

- the number of veterans granted application fee waivers;
- the number who attended the specialized orientation program;
- the number who participated in the priority class registration;
- the number of students (veterans and dependents) who benefitted from the articulation and transfer process, including the number of credits accepted and a list of the courses credited; and
- the number of veterans, spouses, and dependent graduates.

Mandatory Criteria for Continued Designation as a GMVFC:

- Waive Application Fees for Veterans: Institutions reported 3,300 application fee waivers for AY 2023–24.
- Veterans' Orientation: Institutions reported 1,871 students participating in the special orientation sessions in AY 2023–24.

- Priority Class Scheduling: Institutions reported that 5,037 students participated in priority scheduling for the fall, winter, spring, or summer semesters/terms of AY 2023–24.
- Military Articulation & Transfer Process: Friendly Campuses reported serving a combined total of 7,085 veteran or dependent transfer students, transferring 114,877.94 credit hours in AY 2023–24.

Chart 1, below, details the total number of veteran students, their spouses/dependents, course articulation participation, and total graduates. Institutions provided all data required for the 2023–2024 academic year, which are summarized in this chart. Transfer policies put in place by the BoR and mandated by the Legislature in the last three years continue to reap benefits for students and have contributed to increased numbers of military and veteran students and their spouses and dependents enrolling, participating, and graduating compared to the previous year (Chart 2). These policies provide a framework by which institutions can accept credit for prior learning, which for military students and their dependents is invaluable and directly contributes to their ability to attain credentials in a shorter time. As institutions refine the application of these policies, we expect to see an even greater increase in the number of transfer students enrolled and credit hours awarded.

Tiers of Distinction

Act 53 of the 2023 Louisiana Legislature invited the Board of Regents to establish additional tiers of distinction to recognize higher levels of excellence demonstrated by participants in the Governor's Military and Veteran-Friendly Campus program. These tiers reflect an institution's commitment to its Veteran and Military students and their spouses/dependents and exist in addition to the requirements for designation as a Friendly Campus.

BoR staff conducted a landscape analysis of national best practices in this area and consulted with each system's Chief Academic Officer (CAO) to develop the criteria for the Gold, Silver, and Bronze Tiers of Distinction.

Regents staff identified seven additional criteria beyond those needed to receive Friendly Campus designation and specified the requirements that comprise the Gold, Silver, and Bronze distinctions. These Tier Criteria were approved by BoR action at its March 27, 2024, meeting and reside in the BoR Uniform Policy on Governor's Military and Friendly Campuses, which can be found [here](#).

The levels of excellence that make up the structure of the tiers consist of Bronze, Silver, and Gold in ascending order of status. Each institution's designation will be determined based on which of the following veteran services the institution provides:

Tier Criteria
A Veteran's Center with programming (required for Silver and Gold status)
Ongoing veteran-veteran support, such as a buddy system, veteran peer mentor program, or veteran organization
Dedicated financial aid and advising services trained to specifically serve veterans and service members
Counseling support specifically designed for veteran students
Specifically designed degree pathways that recognize military experience and training
Providing flexible course-taking formats and degree structures that conform with veteran and active service member life obligations
An additional graduation event for veteran students

For Gold Status, an institution must meet all the tier criteria. For Silver Status, a campus must have a Veteran's Center and meet at least an additional three of the tier criteria. For Bronze Status, a campus must meet at least two of the tier criteria.

Staff Analysis

Based upon the applications received, BoR staff have determined that each of the 28 public postsecondary institutions and one non-public institution, listed below, meet the requirements specified in R.S. 17:3138.5 and R.S. 3165.2 for designation as a *Governor's Military and Veteran Friendly Campus* for the 2024–25 academic year. This represents 100% participation in this program by public postsecondary institutions in the state. This year, a private university, Louisiana Christian University, has met the initial

criteria and attained the designation.

Additionally, BoR staff reviewed the information submitted by institutions for consideration under the new Gold, Silver, and Bronze Tiers of Distinction as specified in R.S. 17:3138.5. In this inaugural year, 21 institutions met the designated criteria for consideration under the Gold, Silver, or Bronze Tiers of Distinction.

STAFF RECOMMENDATION

Senior Staff recommends approval to forward to the Governor the following 28 *public* postsecondary institutions and one *non-public* institution with an endorsement as having met requirements for continued or initial designation as *Governor's Military and Veteran Friendly Campuses* and 21 *public* postsecondary institutions and one *non-public* institution as having attained the *Tiers of Distinction Designation for 2024–2025*:
