

ART

GENERAL INFORMATION

Are you passionate about art and creative expression? An art degree can allow you to develop your artistic abilities, explore different mediums, and deeply understand the art world. With an art degree, you can learn from experienced and accomplished faculty while building a strong foundation in art history, studio art, and art theory.

Throughout the program, you can explore a range of art forms, including painting, drawing, and 2D designs. As you progress along your degree pathway, you will also have the opportunity to specialize in areas that interest you most, allowing you to further develop your artistic skills.

Transfer pathways start at a Louisiana community college.

- Complete the first 60 credits on your transfer pathway at a community college
- Earn your associate degree
- Apply to a public Louisiana university that offers a bachelor's degree in art
- Transfer in with a guarantee that all 60 credits will apply to your bachelor's degree
