

# COMMUNICATIONS

## GENERAL INFORMATION

A communication degree is an excellent choice for students interested in exploring the dynamic field of human communication. Communication offers a wide range of career opportunities, including specialization in mass communication, public relations, marketing, and TV and film production.

As a communication professional, you will create content for various platforms, such as websites, social media, print publications, and press releases, with the ultimate goal of informing, inspiring, and motivating your audience.

With an associate degree in communication, you can pursue careers such as a public relations manager, digital media specialist, or writer for a television show. This degree is also transferable to universities offering a bachelor's degree in communication.

## SKILLS YOU'LL DEVELOP

- Effective communication
- Media literacy
- Communication theories
- Critical thinking

## POTENTIAL CAREERS

- Publicist
- Media Planner
- Social Media Manager
- Journalist
- Film Editor
- Content Editor

## DID YOU KNOW?

You can earn credit for a course through accelerated programs, like:

- Dual Enrollment
- Advanced Placement
- International Baccalaureate
- Prior Learning Assessment
- College Level Examination Program

**Talk to an advisor at your college today!**
